## Welcome to the Big 3-0 Scavenger Hunt & Campout!

Before going on your missions, keep the following things in mind:

- Any act committed against the organizers and/or their vehicles will disqualify the team entirely.
- You are not expected to complete all of the clues. You can do them in any order but it's to your advantage to figure out an efficient order. The team with the most total points wins.
- Pay close attention to the wording of the questions. When it says "team", it means your ENTIRE team must participate in the act. If it says "team member(s)" then the appropriate amount of the team must participate.
- Some clues have 2 or more parts. In order to get points for that clue, you must get all parts correct.
- Be sure to meet us during the hunt as indicated below or your team will lose serious points.
- We highly encourage treachery between teams, but no real property or personal damage should result from your treacherous act. AARRRRRGGGGH!
- Write your answers on the clue sheet. Take pictures as stated (every picture must be an original taken with your camera (pictures off the internet aren't allowed). Make sure to bring your team digital camera and your clue sheet with answers to the finish line.
- You can use any means necessary to arrive at the answers to the clues, i.e. asking strangers, searching the internet. However, we will not give you any answers or further info ourselves. Cheating (like copying answers from another team) is totally allowed.
- The finish line is at Waimanalo Bay Beach Park (across from the polo field). You should arrive between 5:50pm and 6pm. Don't arrive after 6pm, or your team will lose 10 points. When we say 6, we're talking 6 on the nose (we'll have a GPS). We start scoring at 6:20pm. After that, fuhgeddaboutit- you're too late- but show up for the party anyway, we'd love to have you there.
- Be ready to party at the finish line. You should have stocked up on food, beverage and supplies before the start of the hunt. We'll have coolers, ice, BBQ grills, cups, plates & utensils. You bring the food and beverages.

\*NOTE: The gate at Waimanalo Bay Beach Park closes at 7:45 pm. If you do not intend to stay overnight, you need to park outside of the gate (in the side streets of the neighborhood) after dropping off your stuff.

Good luck and see you at the finish line with refreshments in hand.

### **IMPORTANT: YOU MUST MEET US 2 TIMES DURING THE HUNT ACCORDING TO THE FOLLOWING CLUES:**

At 2pm, the whole team should meet the organizers at the place where a decisive Hawaiian battle occurred in the late 18<sup>th</sup> century. You have to be here in a narrow time window of +/- 5 mins. If you get here in +/- 10 mins, you get 2 points DEDUCTED from your total. If you are more than +/- 10 mins or more or don't show up, you get 8 points DEDUCTED.

At 4pm, meet the organizers at 21°xx'45.67" N 157°yy'37.03" W. To obtain the xx in latitude, add 2 to the age when Mitch obtained his driving PERMIT (hint: it was the minimum age at the time). To get the yy in longitude, subtract the year Sputnik was launched from the year Mitch started working at Clarke Lab after his undergrad degree. You have to be here in a narrow time window of +/- 5 mins. If you get here in +/- 10 mins, you get 2 points DEDUCTED from your total. If you are more than +/- 10 mins or more or don't show up, you get 8 points DEDUCTED.
